**Re: North Carolina Open Records Request**

Dear Sir or Madam:

Campaign for Accountability (“CfA”) makes this request for public records, regardless of format, medium, or physical characteristics, and including electronic records and information, audiotapes, videotapes, and photographs, pursuant to N.C. Gen. Stat. § 132-1, et seq.

Specifically, CfA seeks copies of all audits, certifications, and other reports conducted by or submitted to the Office of the State Auditor in connection with state grants awarded to the Carolina Pregnancy Care Fellowship (“CPCF”). This request is for records from January 1, 2013 through the present.

By way of background, the North Carolina General Assembly has included funding for CPCF in its 2014, 2015, 2016, 2017, 2018, and 2019 budgets.<sup>1</sup> The funding for fiscal years 2014, 2015, 2016, and 2017 was allocated from the Maternal and Child Health Block Grant and administered through the Division of Public Health (“DPH”).<sup>2</sup> There were no details in the 2014-2017 budgets regarding how that funding was to be used by CPCF.<sup>3</sup> The legislature appropriated \$1.3 million annually to CPCF for fiscal years 2018 and 2019, and the funding is to be taken from the DPH budget.<sup>4</sup> The budget allocations for fiscal years 2018 and 2019 specify that the funding should go toward “durable medical equipment,” training on such equipment, administrative purposes, and on a pilot program with the Human Coalition.<sup>5</sup>

Where possible, please produce records electronically.<sup>6</sup> If it is your position that any portion of the requested records is exempt from disclosure pursuant to N.C. Gen. Stat. §§ 132-1.1 through 1.23, please explain in writing the reasons for any determination that a record is exempt from disclosure. In the event that a portion of a requested record is properly exempt from disclosure, but it is possible to redact that portion and produce the remainder of the requested record, please do so.<sup>7</sup>
